If you have chosen to enroll in Interval International membership, you can choose to use your points as exchange for a stay at an available Interval International accommodation.

To get started, select the destination of your choice, decide the size of resort accommodations you require, the date you wish to travel, and how many of your points you wish to use; then go to IntervalWorld.com, search for availability, and confirm your exchange. Owners may also call 1.877.324.7100; a team member will then check availability and confirm your vacation (based on availability).

You will need to pay an exchange fee for each exchange you confirm or when you place a pending request through Interval International. The fee will vary, depending on whether you are booking a domestic or international exchange. Book online and save money on the exchange fee. You will receive written notification of your confirmed exchange. When placing a pending request, availability will be searched up until 48 hours before occupancy. When placing a pending request, points will be removed from your ownership when a confirmation is made, not at the time the request is placed. Participation in Interval International®, and its associated benefits and services, is subject to maintaining an active and current membership with Monarch Grand Vacations and to the applicable terms and conditions provided with your membership materials. Benefits are subject to change or substitution without notice. Use of exchange provider requires approval. Restrictions may apply.

2. RESERVATION RULES

2.1 ACCESSIBILITY REQUEST

Diamond Resorts International® is committed to providing wonderful vacations for all of our members and takes into consideration the needs of those who have a disability or an access requirement.

We have an on-going program of commitment which consists of:

- Ensuring we aim to comply with disability discrimination legislation and exceed the requirements (where possible) regarding the refurbishment of our resorts
- Making appropriate enhancements to resorts and resort plans
- Improving internal awareness and training
- Providing accurate information on our website and in our literature, including information on access, available facilities and auxiliary aids
- Communicating with our members via regular disability forums and surveys to identify areas for improvement
- Producing compliant literature and communicating within the same guidelines

To ensure that we continue with our quest to provide seamless experiences, we encourage members to let us know of any requirements they might have relating to accessibility prior to arrival at a resort destination. We appreciate any information you can share in advance which will assist our resort teams in providing you with any requirements you may have during your stay. Your comfort and enjoyment remain our priority.

Members can select to have their membership account flagged with details of which they would like us to be aware. This can be recorded on your account through your accessibility profile or by telling your reservationist if booking by phone. To update your accessibility profile online, please visit DiamondResorts.com, log in to the Member Area, and click on “Preferences” on the left menu, then the “Accessibility” tab. Select the preferences that you wish us to be aware of or that may make your vacation experience more comfortable.

If you have any access requirements or needs you wish to discuss, or want assistance in locating a resort that can provide comfortable accommodations for your needs, please contact us at your earliest convenience. Adapted units are available on a first-come, first-served basis and are subject to availability.
