Los Amigos Beach Club is undoubtedly one of the best equipped resorts in the region and promises the perfect family vacation.

Almost an Andalusian village in itself, Los Amigos combines beautiful accommodations with a range of facilities including stylish indoor and outdoor pools, tennis courts, a clubhouse with restaurant and even its own bowling green.

With attractive landscaped gardens, you might consider never leaving the resort, however, there is much to see in the surrounding area; the colorful seaside market town of Fuengirola, affluent Puerto Banus and the cobbled streets of Mijas are just some of the delights within easy reach.

MEMBERSHIP GUIDE

YOUR OWNERSHIP

You will receive your allotment of points at the beginning of each use term. Once allocated you may choose to book a vacation at any of the destinations outlined within this guide (subject to availability.) If an owner has not utilized all or a portion of the points allocated by the end of the use term, or saved following the provisions outlined below, the unused points will automatically expire at the end of the use term. Furthermore, the use and occupancy of accommodations that an owner reserves with his or her allocation of Club Points must occur during the same Use Year for which those Club Points were allocated, unless saved following the provisions outlined below.

1. MEMBERSHIP ADVANTAGES

1.1 SAVING POINTS

If owners do not intend to use all or part of their current use year's allocated points within the current use year, then there is an option to save points into the following use year's allocation, as long as all fees associated with the ownership are fully paid. There are deadlines by which points must be saved each year, otherwise they expire at the end of the year in which they were allocated. The deadlines are:

- **SAVE** up to **100%** of the annual allocation within the first six months of the use year.
- **SAVE** up to **50%** of the annual allocation of points within the 7th and 8th months of the use year.
- **SAVE** up to **25%** of the annual allocation of points within the 9th and 10th months of the use year.

To save points please log in at DiamondResorts.com > My Account > Save Points or call member services at 1.877.628.4463. Once points have been saved they may still be accessed during the current use year.

1.2 BORROWING POINTS

If owners require more points for a reservation than they have available in their current use year's allocation, they can borrow up to the annual allocation of points from next year's allocation by paying a deposit equal to 75% of the current year's maintenance fees. This payment amount will then be deducted from next year's maintenance fee bill. Owners can only borrow from next use year's allocation of points and not from any use year beyond that. Owners can borrow back points that have already been

saved from the current use year's allocation without a deposit, although an administrative fee may be charged.

Once points have been borrowed they will expire in the year in which they were borrowed unless they are used. They cannot be saved for the following year.

1.3 HOW TO DETERMINE HOW MANY POINTS ARE REQUIRED

The points values for all of the resorts are listed within this directory and are available online. To establish how many points are required, take the following steps:

1. Determine the preferred dates of travel.
2. Check the proposed travel dates against the weeks calendar for the year of travel to determine the week number. The weeks calendar can be found on pages 64-65.
3. Select the preferred resort and use the grid to select the accommodation type and corresponding week number.

This directory will indicate the number of points required for a week's stay when checking in on a standard check-in day. Specific check-in days are indicated below each resort listed in this directory.

1.4 RESERVATION BOOKING WINDOWS

- A select few owners have what is referred to as an Event Week Reservation Window. This means that their points allow them to book into a specific resort and/or specific week 15 months prior to their planned arrival date. Event Week Owners are required to call 45 days prior to arrival to confirm or save their points.
- All Florida Club Connection owners have a Home Resort Reservation Window. This provides owners the ability to confirm a reservation at their home resort 13 months prior to arrival.

- All Florida Club Connection owners have a Club Reservation Window. This provides owners the ability to confirm a reservation at any Florida Club Connection resort 10 months prior to arrival.

1.5 RESERVATION CANCELLATION

Depending on the notification period, cancellation of a reservation will mean a loss of points calculated as a percentage of the points used.

Notification of Cancellation	Percentage Loss of Points
91 days or more prior to arrival date.....	0%
61-90 days prior to arrival date.....	25%
14-60 days prior to arrival date.....	50%
0-13 days prior to arrival date.....	100%

If owners cancel a reservation, a cancellation fee is applied at the time of cancellation. Additionally an owner may not re-book a similar reservation as a discounted points booking.

Owners are encouraged to purchase a Reservation Protection Plan (RPP) at the time of booking. This will ensure 100% reimbursement of the points charged for the booking should they need to cancel for any reason up to 24 hours prior to the arrival date. See section 3.1 for more information on the Reservation Protection Plans available for purchase.

Points that have been returned as part of a cancellation can be saved for the following year as long as they have not been saved from a prior year and were not borrowed points. Saving points deadlines still apply.

1.6 SHORT STAY POINTS VALUES

Reservations with a duration of less than seven nights are available at Club Connection resorts. This also applies to

additional nights booked following a standard weekly reservation (e.g., for a 10-night reservation, three additional nights will be charged as per this policy). The points calculation for a stay of less than seven nights at a Club Connection resort is as follows:

- **SUNDAY to THURSDAY** inclusive; each night is **10%** of the weekly points value
- **FRIDAY** and **SATURDAY** nights; each night is **30%** of the weekly points value

Reservations made for arrival on a non-standard check-in day are calculated at short stay points values as noted above.

1.7 DISCOUNTED POINTS STAYS

For some Club Connection resorts, if there is excess availability we may choose to offer discounted points rates for specific time frames and accommodation types. These reservations offer exceptional value for those with flexible travel plans, are offered on a first-come, first served basis, and are subject to availability. You can receive notifications of these opportunities by logging in at DiamondResorts.com > Preferences > Contact Information then selecting the box indicating you would like to receive promotional offers.

1.8 CLUB CONNECTION BONUS TIME

Club Connection Bonus Time allows you to book your stay 21 days or less in advance of your arrival date at preferred rental rates. Club Connection Bonus Time rates are only available at selected resorts within Florida Club Connection. The minimum number of nights is two.
