¹ Premier dentists' contracted fees are usually higher than PPO dentists', but both PPO and Premier dentists won't balance bill the difference between the contracted fee and their usual rate. Enrollees are responsible for any coinsurance, deductible, amount over the plan maximum and charges for non-covered services. Refer to your plan booklet for more information.

² Verify that your dentist is a contracted Delta Dental PPO or Delta Dental Premier dentist before each appointment.

³ In Texas, Delta Dental Insurance Company offers a Dental Provider Organization (DPO) plan.

⁴ Applies only to procedures covered under your plan. If you began treatment prior to your effective date of coverage, you or your prior carrier will be responsible for any costs. Group- and state-specific exceptions may apply. Enrollees currently undergoing active orthodontic treatment may be eligible to continue treatment under Delta Dental PPO. Review your Evidence of Coverage, Summary Plan Description or Group Dental Service Contract for specific details about your plan.
