Why You Need It

- Save an average of 30% on preschool, summer day camp, before/after school programs, child or elder daycare, and more
- Reduce your overall tax burden—funds are withdrawn from your paycheck for deposit into your Dependent Care FSA before taxes are deducted
- Take advantage of several convenient, no-hassle payment and reimbursement options

How It Works

Simply decide how much to contribute to your account each year, and funds are withdrawn from each paycheck for deposit into your account before taxes are deducted. As soon as your account is funded, you can use your balance to pay for many eligible dependent care expenses.
