A steam-powered copper carillon clock tower chimes each quarter-hour from the roof of this landmark alpine lodge, welcoming you in from a day on the slopes or trails. Only steps from Blackcomb Mountain, the soaring lobby, with its slate floors and fir timbers, seems carved out of the sublime natural surroundings. Linger by the floor-to-ceiling fireplace set in a wall of river rock, or on the oversized balcony. Vacation Homes marry comfort — knotty pine furnishings and hand-woven rugs — with pampering pleasures, including a fireplace in the living room and Jacuzzi® bath tub in the master bedroom en-suite.

1 Willow Ridge • Palm Desert, California • USA 92260

Rising from the honey-colored desert like a mirage, this master-planned complex of adobe haciendas — laced with the emerald green fairways of Desert Willow Golf Resort — was lauded by Smithsonian magazine for its graceful integration with nature. Vacation Homes in desert shades of ochre, sage, crimson and sand cluster around a pool, hot tub and barbecue area. Private patios or terraces with fireplaces frame magnificent mountain views. Inside, furniture is molded from adobe walls blooming in the vivid orange and fuchsia of flowering cacti and native bougainvillea.

Carretera Escencia a Playa la Ropa • Zihuatanejo • Guerrero • Mexico 40895

Even if you've visited Mexico many times before, you probably haven't experienced it quite like this. Nestled into a lush hillside, Vacation Homes step down a series of terraces with cascading pools to an infinity pool and the half-mile crescent of exclusive Playa La Ropa. Authentic interiors — showcasing thatched roofs, tiles, ceramic sinks and vibrant textiles handcrafted by local artisans — blend seamlessly with intimate outdoor spaces, some with private dip pools. The ocean feels just beyond your balcony or terrace.

Via Montecavallo 26 • Soriano Nel Cimino (VT) • Italy 01038

Located in central Italy in the medieval village of Soriano nel Cimino, just 90 minutes from Rome, this resort is a stunning conversion of 17th century-old cattle sheds which were once part of the mansion estate of an Italian nobleman. Enjoy the wonderful architecture of Palazzo at Soriano, built into the hillside opposite Palazzo Catalani, with exposed stone walls, a Jacuzzi built in a cavern and unbelievable views from the tiered gardens that extend to the hilltop.
