Once allocated you may choose to book a vacation at any of the destinations outlined within this guide (subject to availability). If an owner has not utilized all or a portion of the points allocated by the end of the use term, or saved following the provisions outlined in section 1.1, the unused points will automatically expire at the end of the use term. Furthermore, the use and occupancy of accommodations that an owner reserves with his or her allocation of Club points must occur during the same use year for which those Club points were allocated, unless saved.

## 1. Membership Advantages

## 1.1 Saving Points

If owners do not intend to use all or part of their allocated points within the current use year, then there is an option to save points into the following use year's allocation, as long as all fees associated with the ownership are fully paid. There are deadlines by which points must be saved each year, otherwise they will expire at the end of the year in which they were allocated. The deadlines are:

- Save up to 100% of the annual allocation within the first six months of the use year.
- Save up to 50% of the annual allocation of points within the 7th and 8th months of the use year.
- Save up to 25% of the annual allocation of points within the 9th and 10th months of the use year.

To save points please log in at DiamondResorts.com > My Account > Save Points or call member services at 1.877.628.4463. Once points have been saved, they may still be accessed during the current use year.

## 1.2 Borrowing Points

If owners require more points for a reservation than they have available in their current use year's allocation, they can borrow up to the annual allocation of points from next year's allocation by paying a deposit equal to 75% of the current year's maintenance fees. This payment amount will then be deducted from next year's maintenance fee bill. Owners can only borrow from next use year's allocation of points and not from any use year beyond that. Owners can borrow back points that have already been saved from the current use year's allocation without a deposit, although an administrative fee may be charged.

Once points have been borrowed from the following use year, the points will remain in the current use year and may not be saved into the year in which they were borrowed.

## 1.3 How to Determine How Many Points are Required

The Points Values for all of the resorts are listed within this directory and are available online. To establish how many points are required, take the following steps:

- Determine the preferred dates of travel
- Check the proposed travel dates against the weeks calendar for the year of travel to determine the week number; the weeks calendar can be found on pages 64-65
- Select the preferred resort and use the grid to select the accommodation type and corresponding week number

This directory will indicate the number of points required for a week's stay when checking in on a standard check-in day. Specific check-in days are indicated below each resort listed.

#### 1.4 Reservation Booking Windows

A select few owners have what is referred to as an Event Week Reservation Window. This means that their points allow them to book into a specific resort, and/or specific week, 15 months prior to their planned arrival date. Event Week Owners are required to call 45 days prior to arrival to confirm or save their points.

All Florida Club Connection owners have a Home Resort Reservation Window. This provides owners the ability to confirm a reservation at their home resort 13 months prior to arrival.

All Florida Club Connection owners have a Club Reservation Window. This provides owners the ability to confirm a reservation at any Florida Club Connection resort 10 months prior to arrival.

#### 1.5 Reservation Cancellation

Depending on the notification period, cancellation of a reservation will mean a loss of points calculated as a percentage of the points used.

Notification of Cancellation	Percentage Loss of Points
91 days or more prior to arrival d	late 0%
61–90 days prior to arrival date	25%
31–60 days prior to arrival date	50%
0-30 days prior to arrival date	100%

If owners cancel a reservation, a cancellation fee is applied at the time of cancellation. Additionally an owner may not re-book a similar reservation as a discounted points booking.

Owners are encouraged to purchase a Reservation Protection Plan (RPP) at the time of booking. This will ensure 100% return of the points charged for the booking should they need to cancel for any reason up to 31 days prior to the arrival date. See page 57 for more information on the Reservation Protection Plans available for purchase.

Points that have been returned as part of a cancellation can be saved for the following year as long as they have not been saved from a prior year and were not borrowed points. Saving points deadlines still apply.

## 1.6 Short Stay Points Values

Reservations with a duration of less than seven nights are available at Club Connection resorts. This also applies to additional nights booked following a standard weekly reservation (e.g., for a 10-night reservation, three additional nights will be charged as per this policy). The points calculation for a stay of less than seven nights at a Club Connection resort is as follows:

- Sunday to Thursday inclusive; each night is 10% of the weekly points value
- Friday and Saturday nights; each night is 30% of the weekly points value

Reservations made for arrival on a non-standard check-in day are calculated at short stay Points Values as noted above.

## 1.7 Discounted Points Stays

If there is excess availability, we may chose to offer discounted points rates for specific time frames and accommodation types at certain Club Connection resorts. These reservations offer exceptional value for those with flexible travel plans, are offered on a first-come, first served basis, and are subject to availability. You can receive notifications about these opportunities by logging in at DiamondResorts.com > Preferences > Contact Information then selecting the box indicating you would like to receive promotional offers.

#### 1.8 Club Connection Bonus Time

Club Connection Bonus Time allows you to book your stay 21 days or less in advance of your arrival date at preferred rental rates. Club Connection Bonus Time rates are only available at selected resorts within Florida Club Connection. Minimum 2-night stay.

## 1.9 External Exchange

As a member, you are automatically enrolled in an external exchange program with either Interval International (II) or Resort Condominiums International (RCI). II offers an exchange service through a network of approximately 3,200 resorts in over 80 countries. RCI offers access to over 4,300 affiliated resorts in 110 countries. II and RCI offer a variety of other exciting benefits that provide value and convenience at home and on the road.

All external exchange benefits, process and procedures are subject to their rules, policies and fees, and may be subject to cancellation/change without notice. External Exchange programs may be disrupted if Club Fees are not paid by the due date. This could result in a delay in your external exchange usage.

## 1.10 External Exchange Deposit

You may go online to intervalworld.com for II or RCI.com for RCI, log in to your account and search for availability. You may deposit by using your II/RCI member number online or by calling Member Services.

The number of points required to deposit is available in a table in the Annual II Directory for II and the RCI Directory for RCI. The number of points required to make a reservation depends on the level of resort, season and accommodation size. All external exchanges are subject to terms and conditions, which can be found for II on Intervalworld.com or the back of the Annual II Directory and for RCI on RCI.com or in the RCI Directory.

## 1.11 External Exchange Pending Reservations

If II or RCI is unable to confirm a request instantly, you may place a pending request for the location(s) and date(s) desired. New weeks are added to II and RCI's system every day. By placing a pending request, you give yourself a better change of securing your request, as the system will usually match new weeks deposited to requests that have already been placed. External Exchanges require that you select a minimum of one resort with three arrival dates or three resorts with one

Full details of external exchange policy can be found for II at Intervalworld.com or the Annual II directory and for RCI on RCI.com or the RCI Directory.

## 1.13 External Exchange Guest Certificates

You will be notified of this charge at the time the request is made. The person checking in to the resort must be at least 21 years of age. Guests will not be given access to a resort or accommodation unless they have a guest certificate in their possession.
