Housekeeping

Housekeeping is available if you are staying 5 or more nights. If you need additional towels or supplies, please feel free to stop by or call the front desk.

WiFi Instructions:

1. Connect to the wireless network named "DiamondResortsWiFi".
2. Open your web browser (Internet Explorer, Firefox, Safari, etc).
3. The login page will default to the portal page for your hotel.

Enter your user name "Guest" and password.

Read and accept the terms and conditions.

4. Click "connect" to connect to the internet.

If you having difficulty in bringing up the splash page in your browser, please try these simple steps:

1. Try browsing to a webpage other than your home page or sites you commonly visit. In your browser, enter www.purple.com. By navigating to this site, the splash page should automatically be displayed.
2. Try a different browser. The default browser for Apple is Safari and Internet Explorer for PCs. Try using Google Chrome or Firefox. Once you have registered your device, you can return to using your default browser.
3. Reboot your device.

If these steps do not resolve your issue, please contact Technical Support at 1.866.226.6016
