

CALA BLANCA – GRAN CANARIA

Terrain:	The resort is built on a steep mountain side and inevitably presents guests with many steps to negotiate. Public road to the resort is poorly maintained by the town hall if at all and walkways are hostile to wheelchair users. A ramp has been built which provides access to the Reception area.
Communal areas:	Reception: Accessed by 8 steps, no ramp. Open door. Bar/Restaurant: Accessed by steps. Entertainment: Located in the restaurant area which is only accessed by steps. Pool/Leisure Centre: The swimming pool and the leisure centre is accessed by many steps, ramped access is not available.
Parking:	No designated disabled parking bays available. Parking places available next to the reception.
Accessible/Adapted Accommodation:	No adapted accommodation available at the resort.
Other Accommodation:	All accommodation accessed by steps, there are 2 lifts at the resort but neither gives full access to each level.
Equipment Available (on request):	Wheelchair Jar/Tin opener Can/ring pull opener Telephone with large numbers and hearing aid adaptable
Measurements for equipment available upon request:	Wheelchair – 40 cm wide (seat)
Accessible Outings and Excursions:	Dependent on operator and excursion offered as these can and do change. A list is maintained by the resort Reception.
Proximity/Accessibility to local supermarkets/shops/ beach:	Supermarket Hiperdino in Moganis accessible. Some public buses have ramps for easy access.
Public Transport:	Public transport is not adapted however an adapted taxi or minibus can be booked at the resort reception
Haemodialysis clinic close to resort:	HOSPITEN- CLINICA ROCA. Puerto Rico, c/ Tomás Roca Bosch 2. Tel +34 928769004 Free Phone 900110120 Distance from resort: about 8 kms
Proposed Future Plans:
