

# FLAMINGO BEACH RESORT

## TERRAIN

---

One mainly flat road leads through the resort from the delivery entrance via the lobby area toward the main entrance. The hilly public main road has two speed bumps placed in front of the pedestrian crossing between building 3 on the hillside and the main building (building 7); it leads from one residential area to another. Parking areas are located south of building 3, along the public road, west of building 3, west of building 4, east of building 6, east of the main building and underneath the main building. There are sidewalks along the main road leading from the main entrance toward the lobby, along the beach, west of the main building, between the lobby area and the pool, and around building 6. There are also sidewalks around buildings 3 and 4 but these have steps and no ramps.
