

## ZIHAUTANEJO

<b>Terrain:</b>	All Terrain requires the use of steps as resort is built on the side of a mountain. There is a Golf Cart track woven around the property and an internal shuttle will be provided to access to different areas of the property.
<b>Communal areas:</b>	The lobby, restaurant and the roof bar are all-accessible via a service elevator. At the lower level an elevator avoids the stairs down to the pool and adjoining Palappa Bar. Access to Beach area requires stair usage.
<b>Parking:</b>	There are no dedicated disabled parking spaces.
<b>Accessible/Adapted Accommodation:</b>	Property is not considered accessible friendly; however there are units located on the lobby level which are “easy access” units where usage of stairs is not required to access these rooms. Property does not guarantee unit assignments.
