Exchanging with Destination Xchange

Destination Xchange gives you the opportunity to book a seven-night exchange through either the 5-Year Advantage Xchange or Instant Xchange.

5-Year Advantage Xchange

You can deposit your Points into Destination Xchange using the 5-Year Advantage Xchange. Deposited Points are converted into a Tier Credit as indicated on the Points and Tier Chart on page 11. This allows you to book reservations 24 months in advance for accommodations within that Tier (or any lower Tier) using Tier Credits. Tier Credits are valid for up to five years from the date Points are deposited.

Instant Xchange

The Instant Xchange allows you to utilize your Points to book reservations instantaneously for up to 24 months in advance. Use all or a portion of your Points in an instant. Refer to the Points and Tier Chart on page 11 for the Points equivalent of a seven-night stay for each given Tier.

For both the 5-Year Advantage Xchange and Instant Xchange, payment of the Standard Exchange Fee is required for reservations and bookings made. Points will be deducted from your current year's Points allocation up through October 31; thereafter, Points will be deducted from your following year's Points allocation. You can request a Destination Xchange reservation up to 24 months before your chosen dates of travel. There is also an option to borrow Points from the following year's Points allocation to book an Instant Xchange or deposit a higher Tier Credit for the 5-Year Advantage Exchange. Multiple Tier Credits are allowed but cannot be combined for higher Tier stays. Points cannot be returned, withdrawn or removed once they are converted into a Tier Credit.

Points and Tier Chart

How It Works

Each 7-night resort stay has a Points value and an equivalent Tier assigned to it. Tiers are designated 1 through 6, with 6 being the high-demand locations and times of the year in the larger-size accommodations.

As a Member, you can use the Instant Xchange, which allows you to instantaneously book using your Points, or you can convert your Points into a Tier Credit to reserve accommodations at a later date. Tier Credits made with the 5-Year Advantage Xchange are valid to book accommodations up to five years from the date you create the Tier Credit.

Each week is assigned a Points value and a Tier, which are determined by a number of factors including resort

destination and location, availability, seasonal demand and size of accommodations. So what does this mean? You can expect larger accommodations to be valued at a higher Tier/more Points than smaller accommodations. Higher-demand times of the year, such as holidays and peak vacation times (i.e., summer and school holidays), will also be valued at a higher Tier/more Points than off-peak and low-demand times. Destinations with limited accommodations (i.e., ski resorts) will be valued at a higher Tier/more Points versus locations with an abundance of accommodations. Please refer to the Points and Tier Chart below for details of the Points or Tiers required to book a Destination Xchange 7-night stay.

Points and Tier Chart

SEASON	LOW	MID	HIGH	PEAK	ULTRA PEAK
Studio	TIER 1: 2,000 points	TIER 1: 2,000 points	TIER 2: 4,000 points	TIER 3: 6,000 points	TIER 4: 8,000 points
1-Bedroom	TIER 1: 2,000 points	TIER 2: 4,000 points	TIER 3: 6,000 points	TIER 4: 8,000 points	TIER 5: 10,000 points
2-Bedroom	TIER 2: 4,000 points	TIER 3: 6,000 points	TIER 4: 8,000 points	TIER 5: 10,000 points	TIER 6: 12,000 points

4-Bedroom	TIER 3: 6,000 points	TIER 4: 8,000 points	TIER 5: 10,000 points	TIER 6: 12,000 points	TIER 6: 12,000 points

The most popular exchange reservations are made into accommodation in High Season in all sizes of accommodation.

Upgrading a Tier Credit

If you decide to book into a higher Tier from your original Tier Credit, a Tier Upgrade Fee will be charged in addition to the Standard Exchange Fee. Tier Upgrade Fees can be paid with Points, cash or a combination of both and are determined by your loyalty level. A Tier Upgrade Fee is charged per Tier upgraded (e.g., if redeeming a Tier 2 Credit and reserving a Tier 4 accommodation then two Tier Upgrade Fees will be payable). Refer to the Fee Schedule on page 15 for the Tier Upgrade Fees.

If you choose to book a lower Tier stay using a higher Tier Credit, no refund or credit will be offered for the difference in Points.

How Do I Exchange?

To book a Destination Xchange vacation, follow these simple steps.

1. Choose Your Stay

Select your preferred destination, travel dates, accommodation size and the number of Points or Tier Credit you wish to use.

2. Create Your Reservation

Destination Xchange provides you with two ways to book your exchange: the 5-Year Advantage Xchange, which enables you to convert Points into a Tier Credit or Instant Xchange, which uses Points to reserve 24 months in advance. Once you have chosen your preferred booking method and you meet all necessary conditions, then you simply provide your desired stay details to confirm your exchange over the phone with a Member Services Specialist or go online to hiltongrandvacations.com. If you decide to book a stay using the online booking method, you will automatically receive \$10 off the Standard Exchange Fee.

3. Reservation or Request Confirmation

A reservation confirmation will be sent to the email registered to your account.

Guest Stays

Give the Gift of Vacations

As a Member, you understand the importance of taking a break from your daily routine, from short weekend getaways to extended vacations. Share your joy of travel with friends and loved ones. You can purchase a Guest Certificate for friends and family for a fee. Simply book your guest's reservation and provide their name at the time of booking or by contacting Member Services to update the reservation with the guest's name. Refer to the Fee Schedule on page 15 for Guest Certificate Fees.

Guests must present the Guest Certificate or confirmation in his or her name at the time of arrival or the resort may refuse check-in. Additional guests may stay, but the total number of guests must not exceed the maximum occupancy of the given accommodation. Guest Certificate Fees are charged per exchange reservation.

Check-in Procedures and Reservation Rules

Confirmation Letters

Once your reservation has been confirmed, an email will be sent to the email address registered to your account. Please review the content of the confirmation in its entirety. Be sure to bring your confirmation letter with you for check-in. If a late check-in is required, contact the resort as soon as possible or your room may be released due to a no-show.

Check-In After the Planned Arrival Date

If you are not intending to check in at the resort on the originally booked date of arrival, or your plans change and you are unable to arrive as previously scheduled, you must contact the resort at least 24 hours before your original arrival date and advise when you will be arriving. Failure to notify the resort may result in the cancellation of the reservation and the possibility that there may be no availability when you arrive.

Resort-Specific Rules

Each occupant of an accommodation must comply with the rules of that resort and Destination Xchange at all times. No Member or Guest is permitted to keep an animal, bird, fish or other livestock in a resort accommodation other than where resort rules allow, such as in the case of ADA service animals.

No Arrival

If you fail to check-in, you will be considered a no-show and your reservation canceled within 24 hours of your arrival date. Additionally, any Points or Tier Credits and Exchange Fees previously paid will automatically be forfeited.

Resort Fees, All-Inclusive Fees and Additional Charges

Be aware that you may incur additional fees or charges from the resort. Generally, they are detailed on the website and are reflected on your confirmation letter, but we suggest contacting the resort directly to confirm.

Reservation Cancellation

You can cancel an exchange reservation within 24 hours of booking without penalty. Unless the DEX Protection Plan is purchased, any cancellation after 24 hours of booking will result in a forfeiture of Points and all Exchange Fees paid. The purchase of a DEX Protection Plan at the time of booking is advisable in order to safeguard your Points.

After the initial 24 hours, the Standard Exchange Fee and any applicable fees paid will not be refunded, regardless of the notice of cancellation.

Cancelling a Short Xchange, Express Xcapes or Destination Xtras Reservation

If you cancel your Short Xchange or Express Xcapes reservation, you will lose any Points used and any applicable Exchange Fees paid. If you cancel your Destination Xtras reservation you will not receive a refund of the cash price paid.

DEX Protection Plan

Protect Your Exchange Reservations

When the unexpected happens, you can help protect your exchange reservations with the DEX Protection Plan.

The purchase of a DEX Protection Plan will reinstate an equivalent Tier Credit into your Destination Xchange account for cancellations up to 31 days prior to the arrival date for both 5-Year Advantage Xchange and Instant Xchange reservations. The Tier Credit will expire five years from the original deposit booking date.

If a Tier Upgrade Fee (Points, cash or a combination of both) was used for the reservation, an upgraded Tier Credit will be credited to your Destination Xchange account. The DEX Protection Plan is only available for purchase at time of booking either online or through Member Services.

The DEX Protection Plan fee is per reservation. Short Xchanges, Express Xcapes and Destination Xtras are not eligible for the DEX Protection Plan. The Standard Exchange Fee and any applicable fees paid are non-refundable with the purchase of the DEX Protection Plan.

Managing Your Points and Tiers

Points for Short Xchanges

You can use Points (not Tier Credits) to book stays of fewer than seven (7) nights. More information on Short Xchanges can be found on page 11.

Depositing Points

In order to take advantage of the 5-Year Advantage Xchange, you will first need to deposit your Points into Destination Xchange in set amounts to be converted into a Tier Credit. The Tier Credit can then be utilized to book accommodation within five years from the date of deposit. Refer to page 12 for more information on making an exchange using Tier Credits.

Borrowing Points

If you need more Points for a reservation than you have available in your current year's allocation, you can borrow up to the annual allocation of Points from next year's allocation by paying a deposit equal to 75% of the current year's maintenance fees. This amount will then be deducted from next year's allocation of Points

and not from any year beyond that. Once Points have been borrowed they will expire in the year which they were borrowed unless they are used; they cannot be saved for use in the following year as outlined in your program documents.

Borrowed Points cannot be returned, withdrawn or removed once they are used for an exchange reservation or to create a Tier Credit. Once an exchange reservation is canceled, an equivalent Tier Credit is reinstated into your Destination Xchange account as long as the DEX Protection Plan is purchased.

Using Saved Points

You can use Points that have previously been saved from the previous year's allocation without a deposit. Once Points have been borrowed they will expire in the year in which they were borrowed unless they are used; they cannot be saved for use in the following year.

Saved Points cannot be returned, withdrawn or removed once they are used for an exchange reservation or to create a Tier Credit. Once an exchange reservation is canceled, an equivalent Tier Credit is reinstated into your Destination Xchange account as long as the DEX Protection Plan is purchased.

Frequently Asked Questions

How do I access my Destination Xchange account online?

Log in to your account at hiltongrandvacations.com for immediate access to Destination Xchange. On the left, you will see a Destination Xchange section with buttons allowing you access to searches and membership information.

What communication will I receive from Destination Xchange?

As a Member of Destination Xchange, you will receive reservation confirmation emails for every exchange booked. Be sure to keep your contact details current in order to receive reservation confirmation emails and other exclusive program communications. Your Member Area will always be current so you can enjoy your membership with the most updated benefits and resort offerings. You will also receive periodic newsletters highlighting any changes or additional benefits added to your membership.

How do I make an Xchange?

Destination Xchange offers two ways to book reservations: the 5-Year Advantage Xchange or Instant Xchange. Once you have chosen a booking method and meet all necessary conditions to utilize that method, simply provide your travel dates, desired location and accommodation type in order to confirm your exchange over the phone with a Member Services Specialist or book online at hiltongrandvacations.com.

How does the Points and Tier Chart work?

The Points and Tier Chart helps to prepare you for the number of Points you can expect to pay for your exchange reservation or what Tier to deposit your Points into with the 5-Year Advantage Xchange.

What is the Instant Xchange reservation process for Destination Xchange?

Instant Xchange allows you to utilize your Points to instantaneously confirm a reservation up to 24 months in advance of the current date. Points will be deducted from your current year's Points allocation. Benefits of the Instant Xchange include the option to use all or a portion of your points.

How does the 5-Year Advantage Xchange work when booking an Xchange?

In order to take advantage of the 5-Year Advantage Xchange, you first need to deposit your Points into Destination Xchange as shown on page 11. Once deposited, your Points are then converted into a Tier Credit, which can be used to book an exchange reservation in that Tier or a lower Tier within five years from the date of deposit. You can book into a higher Tier with payment of a Tier Upgrade Fee.

How do I know which Tier to deposit my Points into?

The number of Points you have available to use will help determine which Tier to deposit your Points into. Reviewing the Points and Tier Chart will also help you determine which Tier to deposit your Points into. The most popular exchange reservations are made into accommodation in high season in all sizes of accommodation. Remember, you can always upgrade your Tier with a Tier Upgrade Fee, but if you choose to book a stay at a Tier below your original Tier Credit you will not be eligible for a refund.

What if I want to book a stay outside my original Tier Credit?

You can choose to stay in a week within or below your Tier Credit at no extra charge. If you choose to book a stay at a Tier below your original Tier Credit, you will not be eligible for a refund. If you decide to book a stay during a week with a higher Tier, you will need to pay a Tier Upgrade Fee for each Tier level increase.

Example: If you are a Gold Member with a Tier 2 Credit and wish to stay in a Tier 4 Credit accommodation, you will need to upgrade by two Tiers. This means you will need to pay the Standard Exchange Fee and the required Tier Upgrade Fee of \$640 (\$320 per Tier increase x 2) or 5,000 Points (2,500 Points per Tier increase x 2).

What is my booking window?

The booking window is up to 24 months out from the current date for both the 5-Year Advantage Xchange and Instant Xchange for resorts outside The Club's portfolio. Resorts directly available through The Club may be made available to Destination Xchange but restricted to being booked within six months of the arrival date and are available.

What is the final day to use or deposit my current year's Points allocation into Destination Xchange within the current calendar year?

The final day you may use or deposit your current year's Points allocation into Destination Xchange within the current year is October 31 (November 30 for Centum and Centum+ loyalty Members). Thereafter, Points will be deducted from your following year's Points allocation. You will have the opportunity to deposit your current year's Points allocation during the month of November by paying the Late Deposit Fee (December 1–31 for Centum and Centum+ loyalty Members).

When will I pay the Exchange Fee?

When you confirm your selected resort, you will pay the Exchange Fee (comprising of the Standard Exchange Fee or Short Xchange Fee and any applicable fees), either

on the phone with an agent or online. Don't forget — all exchanges made online receive a \$10 saving off the Standard Exchange Fee. The \$10 savings does not apply to the Short Xchange Fee. Exchange Fees are charged on a per exchange reservation basis.

Can I borrow Points to exchange into Destination Xchange?

If you need more Points for a reservation than you have available in your current year's allocation, you can borrow up to the annual allocation of Points from next year's allocation by paying a deposit equal to 75% of the current year's maintenance fees. This amount will then be deducted from next year's allocation of Points and not from any year beyond that. Once Points have been borrowed, they will expire in the year which they were borrowed unless they are used — they cannot be saved for use in the following year as outlined in your program documents.

Borrowed Points cannot be returned, withdrawn or removed once they are used for an exchange reservation or to create a Tier Credit. Once an exchange reservation is canceled, an equivalent Tier Credit is reinstated into your Destination Xchange account as long as the DEX Protection Plan is purchased.

Can I use saved Points to exchange into Destination Xchange?

You can borrow Points that have previously been saved from the previous year's allocation without a deposit. Once Points have been borrowed they will expire in the year which they were borrowed unless they are used — they cannot be saved for use in the following year.

Saved Points cannot be returned, withdrawn or removed once they are used for an exchange reservation or to create a Tier Credit. Once an exchange reservation is canceled, an equivalent Tier Credit is reinstated into your Destination Xchange account as long as the DEX Protection Plan is purchased.

When will I receive my reservation confirmation?

Once your reservation is booked, you will immediately receive a reservation confirmation email.

Can I book a reservation for a guest?

Friends and family are welcome to stay at one of the resorts through the purchase of a Guest Certificate. Guest Certificate Fees are outlined on page 15. Guests must present a Guest Certificate or confirmation letter in his or her name at the time of arrival or the resort may refuse check-in. Additional guests may stay but the total number of guests must not exceed the maximum occupancy of the given accommodation.

How do I cancel my reservation?

If you need to cancel a confirmed Destination Xchange reservation, you can do so online in the Member Area in Confirmed Reservations under My Reservations or you can contact a Member Services Specialist over the phone.

Depending on whether you purchased the DEX Protection Plan and the notification period, you could lose all of your Points or Tier Credit and the Exchange Fees paid. You have the opportunity to purchase a DEX Protection Plan to better safeguard your Points or Tier Credit.

What is the cancellation policy on an Instant Xchange or 5-Year Advantage Xchange?

You can cancel an exchange reservation within 24 hours of booking without penalty. Unless the DEX Protection Plan is purchased, any cancellation after 24 hours of booking will result in a forfeiture of Points and all Exchange Fees paid. It is highly recommended that the DEX Protection Plan be purchased to safeguard Points.

What is the cancellation policy on a Short Xchange, Express Xcapes or Destination Xtras reservation?

If you cancel your Short Xchange or Express Xcapes reservation, you will lose any Points used and any applicable fees paid. If you cancel your Destination Xtras reservation you will not receive a refund of the cash price paid.

Can I protect my Points if I need to cancel my reservation?

You are encouraged to purchase a DEX Protection Plan at the time of booking.

The purchase of a DEX Protection Plan will ensure that you receive an equivalent Tier Credit into your Destination Xchange account for reservations canceled up to 31 days prior to arrival for both 5-Year Advantage Xchange and Instant Xchange reservations. The Tier Credit will expire five years from the original deposit date.

If a Tier Upgrade Fee (Points, cash or a combination of both) was used for the reservation, an upgraded Tier Credit will be credited to your Destination Xchange account.

The DEX Protection Plan does not apply to Short Xchanges, Express Xcapes and Destination Xtras.

What if I can't make my arrival date?

You must contact the resort at least 24 hours before your planned arrival date and advise when you will be arriving. Failure to notify the resort prior to arrival may result in the cancellation of the reservation within 24 hours of arrival and the possibility that there may be no room availability upon arrival.
